Family Name: _____

Date of Conference: _____

School Readiness:

1. Tell me about your child's favorite experiences from the Learning Games, School Readiness Kit, or Hello Highlight books?
2. What has been the most helpful in helping you interact with your child to help them learn and grow?
3. What additional support do you need from me?

Parent input into child's strengths: *(Ask parents the following questions)*

1. Describe the changes you have noticed in how your child interacts with other children at home and at school?
2. Tell me about a time you have seen your child solve a problem or figure out a new way to do something?
3. What new sounds/words have you noticed your child using? What changes have you noticed about the way they are talking?

4. What are your child's favorite books? Tell me about when and how often you read with your child? What are a few of their favorite songs?

5. What are some art activities you do with your child? What is their favorite?

6. What ways do you add counting or other math into daily activities (talking about shapes of everyday objects, sorting same color items together, counting number of crackers on plate)?

7. What is your child's favorite thing about school?

8. What else should I know about your child? Are there any changes at home that I need to know about?
